SPONSORSHIP PACKAGES

ABOUT US

West Coasters Netball Club Kingsway is a volunteer-run netball club based at Wanneroo Districts Netball Association. With a 30-year history of success and development, our club provides young athletes with a platform to kick-start their netball journeys.

We are a club dedicated to being the best that we can be, and with our new West Coasters Academy program, we will be providing our members with the opportunity to move forward on the netball pathway with our advanced, club-based coaches. The support and development of coaches and players alike is our number one priority, and we have the programs in place to prove it.

With a focus on community and family values, we are always looking for up-and-coming local businesses to join our team! We would love to invite you on board through one of our various sponsorship packages.

Read on to find out what a relationship with West Coasters could mean for you.
